The Right Bus

Please give us a call at 1-800-652-DART (3278), Option 1, and speak with a DART representative to help plan your trip. You can also visit Google Transit on DartFirstState.com and enter where your trip will begin and end to get route, schedule and bus stop details.

The Right Stop

When at the bus stop, stand close enough to the bus stop sign so that the Operator knows you're waiting to board.

Try to get to the bus stop at least 5 minutes before the published arrival time.

Before boarding, look at the sign on the front and side of the bus which displays the route number, and also scrolls major destination points.

For safety reasons at the stop, and as a common courtesy before you board, please wait until all passengers leaving the bus have exited.

While riding, be aware of where the bus is on the route so that you don't miss your stop. Listen to announcements and follow instructions Operators may give you. To let the Operator know you're ready to get off at the next stop, press the yellow wall strip or pull the cord located above you. Wait until the bus comes to a complete stop before exiting.

The Right Fare

DART Fareboxes Accept:

Coins/\$1 Bills
DARTCards
Daily Passes

The farebox is located just inside the front door next to the Operator. Please have your fare ready as you board.

If you would like to purchase a Daily Pass, please ask the Operator to issue one **before** paying the fare.

Reduced fare passengers (persons 65 and over, or who have a qualifying disability) must show the Operator their Medicare Card OR DART Reduced Fare Photo ID when paying with cash or with a prepaid Reduced Fare DARTCard.

Please ask the Operator if you need help with the farebox.

Videos and detailed information about using the farebox are available on DartFirstState.com, or you can also visit DART on [YouTube.com](https://www.youtube.com).

Accessibility and Safety

As required by law, all DART buses are accessible. For your safety and security, DART buses are also equipped with video surveillance equipment.

If the lift or kneeling feature is needed, let the Operator know so that those features can be activated. If you need assistance when boarding, please ask. Proper training is given to our Operators in using accessible features.

Passenger Etiquette:

For the best riding experience, please take note of the following 'rules of the road':

Please make designated seating areas available to persons with disabilities and seniors.

Strollers must be folded and stored in your seating area.

No eating, drinking, or smoking.

Use earphones/earbuds with audio/video devices.

Please be courteous when using cell phones - no speakerphones allowed.

Refrain from using loud or offensive language.

Suspicious items are subject to immediate disposal.

DART is not responsible for items left on the bus.
